

Name	Christopher P.A. Bennett
Nationality	British
Work Areas	<i>*Impact evaluation analytics</i> <i>*Spatial Planning & Landscape approaches; Village boundary setting</i> <i>*Community agroforestry & smallholder tree crop development</i> <i>*Strategic Environmental Assessment</i>
Countries of Work Experience	Indonesia, Malaysia, Laos, Vietnam, China, India, Ethiopia, Zanzibar, Honduras, Canada
Employment History	
International Agencies	Asian Development Bank, CIDA, Danida, DfID, FAO, Global Green Growth Institute (GGGI), ITTO, Millenium Challenge Corporation (MCC), USAID, World Bank
NGOs	Arcus Foundation, Birdlife International, Conservation International, Cultural Survival Enterprises, Ford Foundation, Flora & Fauna International, Global Green Growth Institute, Rainforest Alliance, Rainforest Foundation of Norway, The Nature Conservancy
Private Companies	Abt, Agrico, Agrifor, Agrotec SpA, Agricultural Development Services, ARD, Bureau Veritas, Cambridge Resources International, Development Alternatives Inc., CDMSmith, IDSS, Landell Mills Ltd., LTSI, Natural Resources International, Nathan Associates, Numada, Osana, Tetra Tech, Van Zorge Heffernan & Associates, Winrock International
Research Institutions	University of British Columbia (UBC: Faculty Land & Food Systems & Centre for South East Asia Research), Centre for International Forestry Research (CIFOR), Harvard Institute for International Development (HIID), National Renewal Energy Laboratory (NREL), Royal Tropical Institute (KIT)
Present Institution Position	<i>Adjunct Professor</i> , Faculty of Land & Food Systems, University of British Columbia (UBC), MacMillan Bldg, Vancouver, B.C., V6T 1Z4, Canada. Tel +1 604 822 0181; Fax +1 604 822 2184; +1 604 722 5273 (mobile); Email <i>c.bennett@ubc.ca</i> & <i>chris.bennett@ieanalytics.ca</i>
Residence	Providence House, High Street, Stockbridge, Hants, SO20 6HF, England, U.K. Tel: +44 (0)788 412 0684
International	Tel: +62 (0)816 994 385 (mobile); Skype <i>christophertree</i>

EDUCATION AND QUALIFICATIONS (U.K.)

University of Exeter 1972 – 1973	M.Sc. Phytopathology
University of Salford 1969 – 1972	B.Sc. Joint Honours (2.1) in Botany & Biochemistry
Southampton Technical College 1968	'A' level Chemistry (D)
Sutton Valence School 1963 – 1968	'A' levels, Botany (C) & Zoology (D) 'O' levels, Biology, Chemistry, Mathematics, Geography, French, English Literature, English, Use of English & General Paper

Language Proficiency	<u>Fluency (/5)</u>	<u>Writing (/5)</u>
English	5	5
Indonesian	5	4
Spanish	4	4
French	5	4
Minangkabau	3	2

PROFESSIONAL HISTORY

A. LONG TERM ASSIGNMENTS

University of British Columbia (UBC), 2004 June – 2023 June (3 months per year)

Adjunct Professor, Food and Resource Economics Group, Faculty of Food and Land Systems, and **Faculty Associate**, Centre for South East Asia Research, experiential learning for project and policy evaluation

Global Green Growth Institute (GGGI), 2019 September – 2020 December

Provincial Program Strategist, Indonesia, focus on GGGI program development in North Kalimantan, West Papua & Papua, making use of regional charters to forge multi-sectoral coordination and collaboration

Tetratech - ARD, 2015 October – 2018 September

Senior Forestry and Land Use Governance Advisor, USAID-LESTARI Project, Indonesia, for landscapes in Aceh, Central Kalimantan and Papua, climate change adaptation & mitigation, & biodiversity conservation, achieving greater spatial and visual understanding of community-based natural resource management

Millenium Challenge Corporation (MCC), Indonesia, 2011 January – 2018 June

Strategic Spatial Assessment Specialist, MCC / MCAI Green Prosperity Program, strategic spatial assessment & development of landscape-lifescape analysis (LLA) as well as village boundary-setting

Development Alternatives Inc. (DAI), 2008 October – 2009 December

Environmental Governance Adviser, Environmental Services Program, (USAID – Coordinating Ministry of Public Health and Social Welfare, Indonesia), for participatory preparation of regional spatial plan

Agrico (Anzdec), 2006 June – 2007 May

Team Leader and Natural Resource Management Specialist, Project for Natural Resource Management in a Decentralized Framework (ADB – Ministry of Home Affairs, Indonesia)

Team leader, 12-person team of consultants collaborating with national counterparts and regional partners, highlighting how to meet the challenge of poor inter-institutional coordination

World Bank, 2001 January – 2003 December

Agroforestry phytopathologist, Coconut Research Institute, Manado, Indonesia

Overseas Development Administration (ODA), U.K., 1981 November – 1984 July

Agroforestry phytopathologist, Honduran Coffee Institute (IHCAFE), San Pedro Sula, Honduras

Overseas Development Administration (ODA), U.K., 1976 March - 1981 November

Agroforestry phytopathologist, Research Institute for Industrial Crops (LPTI), Solok, Indonesia

B. SHORT TERM CONSULTANCIES *

Millenium Challenge Corporation, * April 2020-2022

Community Forestry Advisor, Solomon Islands Threshold program

World Bank, * February – June 2020

Senior Technical Advisor, Natural Resources Management, Indonesia

World Conservation Society, * February – April 2020

Peer Reviewer, Sustainable Economic Development Plans, Trends, Options, for Aceh, Indonesia

CDMSmith, * February – August 2020

Proposal Development & Technical Writing, USAID Indonesia New Environmental/Terrestrial Proposal

Numada – Tetra Tech, * August 2019

Team Leader & Senior Analyst, Land Tenure & Property Rights Assessment, special emphasis on customary rights, for USAID Country Development Cooperation Strategy 2020-2024

University of British Columbia (UBC), * May 2014 to 2020

Director & Senior Instructor, Annual month-long experiential learning monitoring and evaluation courses for UBC Students in Indonesia at IPB University

Numada – Bumi Desa Indonesia, * March 2019

Forest Conservation Analyst, scoping for carbon-offset initiative in North Kalimantan Province based upon village-based pledges by customary peoples to protect natural forests for water resources and low-impact harvesting

Falcon House Partners, * February 2019

Impact Evaluation Analytics, mini-hydro investments in the Cianten river basin, West Java Province, Indonesia, identifying how to improve efficiency by incentivizing water resource protection through forest cover conservation and disincentivizing garbage disposal into waterways through base and performance payments proportional to hydroelectricity generation

The Nature Conservancy (TNC), * September-October 2018; January 2019

Analyst and Lead Writer, agriculture and forestry contributions to national five-year development plan for Indonesia, emphasizing the utility of Strategic Environmental Assessment

Arcus Foundation, * November-December 2018

Independent Evaluator, Orangutan conservation projects in Aceh and North Sumatra, Indonesia

Sumatran Orangutan Society (SOS), * October 2018

Peer reviewer, Situational Analysis for Leuser Ecosystem Conservation, Aceh and North Sumatra, Indonesia

Partnership for Governance Reform, * April 2015

Land Governance Adviser in support of REDD+ proposal writing for a policy and implementation project to reduce constraints to equitable land use sustainability, namely, uncertainty of tenure for community forestry resource managers, undervaluation of forestry land resources and under-regulated negative externalities.

Tetrattech/ARD, * February 2015

Land Governance Policy & Institutional Adviser, proposal for USAID SOROT Project

Tetrattech/ARD, * Oct to Nov 2014

Land Governance Adviser

Department for International Development (DfID), U.K., * September 2014

Spatial Planning Analyst

Global Green Growth Institute, * August - September 2014

Development Planning Analyst

ARD-Tetrattech, USAID-IFACS and UBC collaboration, * June – August 2014

Agroforestry policy analyst

LTS International, * February – April 2014

Forestry Institutional Development Specialist, Real-time Evaluation of Norway – Indonesia NICFI REDD+

National Renewable Energy Laboratory (NREL), U.S. Department of Energy * May - August 2013

Natural Resource and Sustainable Land Use Management (NRM / SLU) advisor to NREL under Millenium Challenge Account – Indonesia's (MCA-I) Green Prosperity programme (GP)

IDSS, * June 2013

Village Planning Reviewer, Kalimantan Forestry and Climate Change Project, Indonesia, stressing the modalities for increasing spatial certainty for village communities

Abt, * August – September 2013

Natural Resource and spatial planning advisor to Abt proposals under MCA-I GP

Climate and Land Use Alliance (CLUA), * November 2012 (pro-bono)

Invited Panelist to discuss strategic challenges for CLUA

Flora & Fauna International (FFI), Indonesia, * August 2012 (pro-bono)

Senior Technical Advisor

Cambridge Resources International (CRI), Ethiopia, * May – June 2012

Coffee Agroforestry and Trade Specialist

Bureau Veritas, Indonesia, * March 2011

Assessment for forest certification of legal wood origin (Origine Legal du Bois, OLB) at RAPP APRIL

Van Zorge, Heffernan & Associates, Indonesia * 2010 September

Institutional Analyst, Effective Development of Schemes for Reduced Emissions from Degradation and Deforestation (REDD)

The Samdhana Institute * April - July, October – December 2010

Team Leader, Spatial Planning and Related Strategic Environmental Assessment, Papua Province, Indonesia with USAID and Provincial Government funding

Leuser International Foundation * March – April 2010

Multi-stakeholder Forum Establishment, Project for Integrating Environment and Forest Protection into the Recovery and Future Development of Aceh (AFEP), Indonesia

Regional Planning Agency, Papua * February 2010

File: Christopher P.A. Bennett_CV Resume 2020 Aug 31_8 pages

Spatial Planning Governance, Papua Province, Indonesia
Advising the regional planning agency (Bappeda) and Governor of Papua

Osana * January 2010
Spatial Planning Governance, Indonesia Infrastructure Initiative (IndII), AusAID, in West Papua and Papua Provinces, Indonesia. Advising the provincial regional planning agencies (Bappeda)

Agrifor * August - September 2008
Forestry Governance, Mid-Term Review of Forest Law Enforcement and Governance and Trade Project (EU-Indonesia) in Kalimantan and Sumatra, Indonesia

GTZ * November - December 2007; February - March; June 2008
Environmental Governance, Supporting Local Governance & Sustainable Recovery Project, Regional Environmental Agency, Aceh, Indonesia, through the application of Strategic Environmental Assessment

Danida * July – October 2007
Strategic Environmental Assessment (SEA) for urban coastal zone development in Padang City, Indonesia

Conservation International * June 2007; March – April 2008
Project Proposal Writer, Agroforestry buffering of the Leuser Forest Conservation Ecosystem focussing on sustainable increase of livelihoods of tsunami and earthquake victims

CIDA * July 2007
Technical Assistance Proposal, Eastern Indonesia Assistance

GTZ * 2006 April - May
Strategic Environmental Assessment (SEA), Supporting Local Government & Sustainable Recovery Project, Environmental Agency, Aceh, Indonesia

Development Alternatives Inc. (DAI) * 2006 January - March
Forest and Land Rehabilitation Management, Environmental Services Program focused on Watershed Management

Van Zorge, Heffernan & Associates, Indonesia * 2005 December
Forest Plantation Analysis, Profiles for investment

Asian Development Bank (ADB) * 2005 August - September
Environment and Natural Resource Manager, Proposal for post-tsunami action, Aceh, Indonesia

Natural Resources International (NRI) * 2005 August
Institutional Specialist, South Sumatra, Indonesia, Mid-term evaluation of the European Union's South Sumatra Forest Fire Management Project

Rainforest Foundation of Norway / Regnskogfondet * 2005 July
Team Leader, Project Evaluation, Jambi, Indonesia

CIDA (Canadian International Development Agency) * 2005 April - June
Team Leader, Strategic Environment Assessment, Aceh and Nias, Indonesia

SmartWood (Rainforest Alliance) * 2005 February
Team Leader, Forest Certification, Assessment of Smallholder Teak Agroforests, South East Sulawesi Province, Indonesia

International Finance Corporation & World Bank * 2005 January

Natural Resource Economist, advising Ministry of Trade, Jakarta, Indonesia

Agrotec SpA * 2004 November-December

Environmental Economist, final evaluation of European Commission – Indonesia forestry projects, the Forestry Liaison Bureau (FLB) and the South and Central Kalimantan Production Forest Management Project (SCKPFP)

Landell Mills Ltd * 2004 August-September

Governance Specialist, review of the European Commission – Indonesia Forestry Programme (ECIFP), Indonesia

SmartWood (Rainforest Alliance) * 2004 June-July & October-November; February 2005

Socioeconomics Specialist, Assessment of High Conservation Value Forest (HCVF) areas in Pulau Muda, Serapung and Siak industrial timber plantation, Asia Pulp & Paper, Riau Province, Indonesia

Birdlife International * 2004 April-May

Team Leader, Evaluation of Sangihe-Talaud Forest and Bird Conservation Program, Indonesia

Kennedy School of Government * 2004 April

Invited Panelist, 10th Annual Harvard Conference, Cambridge, U.S.

The Nature Conservancy * 2004 January - February

Team Leader, Evaluation of East Kalimantan Conservation Program, Indonesia

University of British Columbia (UBC) 2000 January - April, 2001 March and 2003 January – February

Lecturer, Food and Resource Economics, Faculty of Agricultural Sciences, U.B.C., Vancouver, Canada, teaching courses on Rural Development

Smart Wood (Rainforest Alliance) * 2002 November

Certification Scoping Advisor (Social), Smart Wood community forestry assessment, Laos

World Bank * 2001 May, December

Community Forestry Advisor, World Bank, evaluation of community forestry programme, Laos

Queens University (Ontario, Canada) * 2001 March

Forestry Policy Adviser, Malaysian Institute for Economic Reform, Institute for Development Studies (Sabah) and the Sarawak Development Institute, workshop and policy papers on sustainable forest management

Ford Foundation * 2000 July - December

Community Forestry Program Consultant, Ford Foundation, Indonesia

Hickling Corporation (Canada)* 2000 May – June

Natural Resource Policy Advisor, Regional and Community Development, National Planning Agency (Bappenas), Indonesia, on **Decentralisation of Natural Resources Management (Forestry Focus)**

Smart Wood (Rainforest Alliance) * 2000 February

Forest Certification Scoping Advisor, Smart Wood programme, Indonesia

Xylo Indah Paratama * 2000 & 2001 April

Forest Certification Advisor, South Sumatra, Indonesia

World Bank * 1999 November, 2000 February

Forestry Audit Advisor, World Bank, for the GEF-funded Kerinci Seblat Integrated Conservation Development Project, Sumatra, Indonesia

Smart Wood (Rainforest Alliance) * 1999 February

Team Leader, Forest Certification Scoping, Smart Wood programme, community forestry for production of *pulai* (*Alstonia scholaris*), South Sumatra, Indonesia, in plantation and agroforestry systems.

Department for International Development (DfID), U.K. * 1999 August & October

Institutional Development Specialist, Participatory planning for DfID Forestry Project in Indonesia

United States Agency for International Development (USAID) * 1999 May – June

Natural Resource Policy Analyst, Jakarta, Indonesia

World Bank, * 1999 January – March & September

Forestry Policy Analyst, World Bank, Jakarta

Natural Resources International (NRI), * 1998 October - November

Institutional and Policy Analyst, Indonesian Forest Sector Review, DfID

Centre for International Forestry Research (CIFOR) * 1998 August

Reviewer, Criteria and Indicators for Forest Certification

Biodiversity Support Programme (BSP) * 1998 July - September, November - December

Policy Advisor at BSP Kemala, Indonesia

Smart Wood (Rainforest Alliance) * 1998 June, December

Agroforestry (Tree Crop) and Forest Certification Advisor, Smart Wood programme, Indonesia

Nathan Associates * 1998 April - May

Forestry and Agroforestry (Tree Crops) Policy Analyst, Trade and Investment Policy Project, Department of Industry and Trade, Jakarta, Indonesia

Harvard Institute for International Development (HIID) * 1998 January -March

Forestry and Agroforestry Policy Analyst, Economic Advisor Project, Department of Finance, Jakarta, Indonesia

Centre for International Forestry Research (CIFOR) * 1997 August - September

Policy Analyst, Bogor, Indonesia

International Tropical Timber Organisation (ITTO) * 1997 September - October

Rapporteur, ITTO Borneo Biodiversity Expedition 1997

Biodiversity Support Programme (BSP) * 1997 July - August, November - December

Policy Development Advisor, BSP Kemala, Indonesia

Winrock International * 1997 October - November

Forestry Policy and Planning Advisor at the Ministry of Forestry on the Natural Resources Management Project No.2, Indonesia

Harvard Institute for International Development (HIID) * 1995 & 1996 July

Rural Markets for Microfinance Banking Services, at Bank Danamon Indonesia

Cultural Survival Enterprises (CSE) * 1993 May

Agroforestry and Marketing specialist, field study in the Kerinci-Seblat national park, Indonesia

Agricultural Development Services (ADS) * 1993 March - April

Agroforestry Policy Analyst, Center for Policy and Implementation Studies (CPIS), Indonesia

Overseas Development Administration (ODA), U.K. * 1993 February
Independent Reviewer, ODA project on Biodiversity for Biotechnology Innovation. Review of project's, Tropical Forest Mycorrhiza and Dehalogenation Research

United States Agency for International Development (USAID), * 1993 January
Agriculturalist, Ministry of Environment and Forests, India

Agricultural Development Services (ADS) * 1992 July - December
Tree Crops Agriculturalist, Center for Policy and Implementation Studies (CPIS), Indonesia

University of British Columbia (UBC) 1992 January - April
Visiting Lecturer, Department of Agricultural Economics, U.B.C., Canada, teaching a course on Rural Development

World Bank * 1991 December
Tree Crops Agriculturalist, Indonesia:

Royal Tropical Institute of the Netherlands (KIT) * 1988 April - May
Phytopathologist, Hainan High-Yield Cashew Research Centre, China

Food and Agricultural Organisation of the United Nations (FAO) * 1987 November – 1988 April
Phytopathologist, Coconut Research Institute, Manado, Indonesia

World Bank * 1987 April
Tree Crops Agriculturalist, Indonesia
